-

Rule 1. *Convening Hour.* The House shall convene each legislative day at the hour fixed by the House on the preceding legislative day; in case the House adjourned on the preceding legislative day without having fixed an hour for reconvening, the House shall reconvene on the next legislative day at twelve o'clock noon.

Rule 2. *Opening the Session.* At the convening hour on each legislative day the Speaker shall call the members to order,

and shall have the session opened with prayer.

Rule 3. *Quorum.* (a) A quorum consists of a majority of the qualified members of the House.

(b) On the point of no quorum being raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of the absentees shall again be called over. Fifteen members, including the Speaker, are authorized to compel the attendance of absent members, and may order that absentees for whom no sufficient excuses are made shall be taken into custody as they appear, or wherever they may be found by special messenger appointed for that purpose.

Rule 4. *Approval of Journal.* The Committee on the Journal shall examine daily the Journal of the House before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the report of the Committee on the Journal as to whether or not the proceedings of the previous day have been correctly recorded; the Speaker shall then cause the Journal to be approved. Without objection, the Journal shall stand approved.

Rule 5. *Order of Business of the Day.*

After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

- (1) The receiving of petitions, memorials and papers addressed to the General Assembly or to the House.
- (2) Reports of standing committees.
- (3) Reports of select committees.
- (4) Introduction of Resolutions.
- (5) Introduction of Bills.
- (6) The unfinished business of the preceding day.
- (7) Bills, resolutions, petitions, memorials, messages, and other papers on the Calendar in their exact numerical order, unless displaced by the orders of the day; but messages, and motions to elect officers shall always be in order.
- (8) Reading of Notices and Announcements.

Conduct of Debate

Rule 6. *Duties and Powers of Speaker.*

(a) the Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in case of sickness or by leave of the House.

(b) In the event the Speaker, by reason of physical or mental incapacity, is unable to name a member to perform the duties

of the Chair, the chairman or vice-chairman of the Rules Committee shall open the session, and the House shall thereupon proceed to elect one of their members as Speaker pro tempore, who shall perform all of the duties of the Speaker until such time as the Speaker may assume the Chair or name another member to perform the duties of the Chair.

Rule 7. *Obtaining Floor.* (a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address the Speaker. No member shall proceed until recognized by the Speaker.

(b) When a member desires to interrupt a member having the floor, he shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when so recognized and such permission is obtained, he may propound a question to the member occupying the floor, but he shall not propound a series of interrogatories or otherwise interrupt the member having the floor; and the Speaker shall, without the point of order being raised, enforce this rule.

Rule 8. *Questions of Personal Privilege.* At any time, upon recognition by the Speaker, any member may arise to speak to a question of personal privilege, and upon objection to his proceeding, the Speaker shall determine if the question is one of privilege.

Rule 9. *Points of Order.* (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from his seat for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A $\frac{2}{3}$ vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat. A member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House require it, he shall be liable to censure by the House.

Rule 10. *Limitations on Debate.* No member shall speak more than twice on the main question, nor longer than thirty minutes for the first speech and fifteen minutes for the second speech, unless allowed to do so by the affirmative vote of a majority of the members present; nor shall he speak more than once upon an amendment or motion to commit or postpone, and then not longer than ten minutes. But the House may, by consent of a majority of the members present, suspend the operation of this

rule during any debate on any particular question before the House, or the Committee on Rules may bring in a special rule that shall be applicable to the debate on any bill.

Rule 11. *Reading of papers.* When there is a call for the reading of a paper which has been read in the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present.

Rule 12. *General Decorum.* (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and personal reflection carefully avoided.

(c) While the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is speaking, entertain private discourse, stand up, or pass between the member and the Chair.

(d) Smoking shall not be allowed in the halls, lobbies, or the galleries while the House is in session.

Motions

Rule 13. *Motions Generally.* (a) Every motion shall be reduced to writing, if the Speaker or any two members request it.

(b) When a motion is made it shall be stated by the Speaker, or, if written it shall

be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk it shall be in possession of the House, but may be withdrawn before a decision or amendment, except in case of a motion to reconsider, with motion, when made by a member, shall be in possession of the House, and shall not be withdrawn without leave of the House.

Rule 14. *Motions, Order of Precedence.*

(a) When in order and every motion is before the House, the question stands as follows:

Previous question

To adjourn

To lay on the table

To postpone indefinitely

To postpone to a day certain

To commit

To amend an amendment

To amend

To substitute

To pass the bill

(b) When a question is under debate, the following motions only shall be in order, and they shall have precedence in the order in which they stand arranged:

1. To adjourn

2. To lay on the table

3. To postpone indefinitely

4. To postpone to a day certain

5. To Commit

6. To amend

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to amend, being decided, shall be again allowed at the same stage of the bill or proposition.

Rule 15. *Motion to Adjourn.* (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

Rule 16. *Motion to Table.* (a) A motion to table shall be seconded before the motion is put to the vote of the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) A motion to take an amendment sent up from the floor shall not be construed as a motion to table the principal bill or any other amendment which has been offered thereto, and if such motion is carried, only the amendment shall lie upon the table.

Rule 17. *Motion to Reconsider.* (a) When a motion has been once made and decided in the affirmative or negative, it is in order for any member of the majority to move for the reconsideration thereof, on the same or succeeding legislative day, unless it may have subsequently passed the Senate; *Provided*, that unless the vote by which the motion was originally decided was taken by a call of the ayes and noes, any member may move to reconsider.

(b) A motion to reconsider shall be determined by a majority vote, except a motion to reconsider a motion tabling a motion to reconsider, which shall require a $\frac{2}{3}$ vote.

Rule 18. *Motion to postpone Indefinitely.* A motion to postpone indefinitely is always in order except when a motion to adjourn or to lay on the table is before the House; however, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, the same shall not be acted on again during the session, except upon a $\frac{2}{3}$ vote.

The Previous Question

Rule 19. *Previous Question.* The previous question may be called only by the member submitting the report on the bill or other

matter under consideration, by the member introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the chairman of the committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

Rule 20. *Form and Effect of Previous Question.* (a) The Previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration, including all pending amendments. If amendments are pending, the question shall be taken upon such amendments in inverse order.

(b) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn made prior to the determination of the previous question. Should the motion to adjourn be made prior to the determination of the previous question the House will vote first on the motion to adjourn and then, if the motion to adjourn fails, the members will vote on the call for the previous question.

(c) If the previous question is decided in the negative, the main question remains under debate.

VOTING

Rule 21. *Stating Questions.* (a) The Speaker shall rise to put a question.

(b) Question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye,'" and after the affirmation voice has been expressed, "Those opposed will say 'No'."

(c) Any member may call for a question to be divided into two or more propositions to be voted on separately, and the Speaker shall determine whether the question admits of such a division.

Rule 22. *Determining Questions.* Unless otherwise provided by the Constitution of North Carolina, all questions shall be determined by the members present and voting.

Rule 23. *Voting by Division.* Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member out of his seat shall be counted.

Rule 24. *Roll Call Vote.* Before a question is put, any member may call for the ayes and noes; and if the call is sustained by one fifth of the members present, the question

shall be decided by the ayes and noes upon a roll call vote, taken alphabetically.

(b) Every member who is in the hall of the House when the question is put shall give his vote upon a call of the ayes and noes, unless the House for special reasons shall excuse him, and no application to be excused from voting or to explain a vote shall be entertained unless made before the call of the roll.

Rule 25. *Voting by Absentees.* (a) No member shall vote on any question when he was not present when the question was put by the Speaker, except by the consent of the House.

(b) If any member is necessarily absent on temporary business of the House when a vote is taken upon any question, upon entering the House he shall be permitted, on request, to vote, *provided* that the result shall not be affected thereby.

(c) When a member who is present is paired with an absent member, he shall, when his name is called on a roll call vote, announce the pair, which shall be recorded by the clerk.

Rule 26. *Voting by Speaker.* In all elections the Speaker may vote. In all other cases he may exercise his right to vote, or he may reserve this right until there is a tie; but in no case shall he be allowed to vote twice on the same question.

Committees

Rule 27. *Committees Generally.* (a) All committees shall be appointed by the Speaker, unless otherwise specially ordered by the House.

After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

The Clerk shall stamp the copies with the number stamped upon the original bill.

Rule 35. *Duplicating of Bills.* The Clerk shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the speaker. On the morning following the delivery of the copies, the Chief Clerk shall cause the Chief Page to have one copy thereof put upon the desk of each member and shall retain the other copies in his office. A sufficient number of copies for the use of the committee to which the bill is referred shall be delivered to the chairman or clerk of that committee by the Chief Page. If the minority

report is adopted by majority vote the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

Rule 38. *Removing Bill from Unfavorable Calendar.* A bill may be removed from the unfavorable calendar upon motion carried by a $\frac{2}{3}$ vote. A motion to remove a bill from the unfavorable calendar is not debatable, but the movant may, before making the motion, make a brief and concise statement, not more than five minutes in length, of the reasons for the motion.

Rule 39. *Reports on Appropriation and Revenue Bills.* All committees, other than the Committee on Appropriations, when favorably reporting any bill which carries an appropriation from the State, shall indicate same in the report, and said bill shall be referred to the Committee on Appropriations for a further report before being acted upon by the House. All committees, other than the Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue or levies a tax or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Committee on Finance for a further report before being acted upon by the House.

Rule 40. *Recall of Bill from Committee.* When a bill has been introduced and referred to a committee, if after ten days the committee has failed to report thereon, then the introducer of the bill or some member designated by him may, after three days' public notice given in the House, on motion supported by a vote of $\frac{2}{3}$ of the members present and voting, recall the same from the committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

Rule 41. *Calendars.* The Clerk of the House shall keep a separate calendar of the public, local, and private bills, and shall number them in the order in which they are introduced, and all bills shall be disposed of in the order they stand upon the Calendar; but the Committee on Rules may at any time arrange the order of precedence in which bills may be considered.

Rule 43. *Effect of Defeated Bill.* (a) Subject to the provisions of subsection (b) of this Rule, after a bill has been tabled or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. Upon the point or order being raised and sustained by the Chair, such measure shall be laid upon the table, and shall not be taken therefrom except by a $\frac{2}{3}$ vote.

(b) No local bill shall be held by the Chair to embody the provisions of or to be identical with any statewide measure which has been laid upon the table, or failed to pass any of its readings.

Rule 44. *Amendments and Riders.* No amendment or rider to a bill before the House shall be in order unless such rider or amendment is germane to the bill under consideration.
